Stunning 1965 Chevrolet Corvette Stingray Fastback.

Unleash the ultimate classic. This meticulously remodeled 1965 Chevrolet Corvette Stingray Fastback pairs timeless mid-year styling with raw, modern street performance. Coated in striking torch red color, this showroom-quality machine is engineered to run as fast as it looks. Restoration/modifications completed approx. in 2005. Vehicle shows 887 miles. The title shows mileage as 62,174 when he purchased it in '97.

High-Performance Powertrain

- Engine: Pro-built 383 cubic inch small block stroker engine.
- Cylinder Heads: High-flow aluminum heads for optimum breathing and weight reduction.
- Camshaft: Hydraulic roller camshaft delivering an aggressive idle and broad powerband.
- Rotating Assembly: Track-ready 4340 forged steel crankshaft, 4340 H-beam connecting rods, and premium JE Pistons.
- Oil System: Heavy-duty Milodon oil pan ensuring reliable lubrication.
- Exhaust: Premium Hooker headers optimizing exhaust scavenging and sound.
- Cooling: High efficiency Be Cool aluminum radiator to maintain perfect operating temperatures.
- Transmission: Engaging, driver-focused 4-speed manual transmission.

Pro-Touring Suspension & Stance

- Front Suspension: Upgraded offset A-arms for improved geometry and handling.
- Rear Suspension: Heavy-duty offset trailing arms allowing for excellent tire clearance.
- Dampening: Performance-tuned Bilstein shocks at all four corners.
- Wheels: Period-correct American Racing Torq Thrust wheels featuring an aggressive staggered stance:
- Front: 17-inch Torq Thrust wheels
- Rear: 18-inch Torq Thrust wheels

No expense was spared on this high-end build. If you want a pristine, turn-key Stingray that commands attention on the road and at the showroom, this is your car.

Note: Original motor w/ matching numbers and original bumpers to sell with car.
